JAMMU, MAY 28

Department of Electronics and Communication (DoECE), Central University of Jammu (CUJ) today signed a Memorandum of Understanding (MoU) with the Airports Authority of India under the aegis of the Ministry of Civil Aviation, Government of India. The formal signing ceremony was held in the presence of Prof. Sanjeev Jain, Vice Chancellor, Central University Jammu, and Sh. Sanjeev Kumar Garg, Airport Director Jammu. This significant collaboration was initiated by Prof. Rakesh Kumar Jha, Head of the Department of Electronics & Communication Engineering (DoECE) and Dr. Rajan Badyal, Public Relation Officer at CUJ.

The MoU aims to enhance a mutually beneficial partnership

between the university and the airport, focusing on student internships, and skill development programs. This alliance will provide students with practical exposure to airport operations, advanced communication systems, and cutting-edge technology used in the aviation sector.

Prof. Sanjeev Jain, Vice Chancellor, Central University Jammu expressed his enthusiasm about the collaboration. "This MoU marks a pivotal moment for the Central University of Jammu. It will open new avenues for our students with invaluable firsthand exposure to the intricacies of airport operations and the diverse facets of civil aviation.

As a part of this initiative, students will have the opportunity to participate in live demonstrations of airport projects and activities, as well as engage in two to five days

of familiarization visits and workshops. Furthermore, they will be eligible for internships lasting four to twenty weeks at Airports and regional corporate offices.

Sh. Sanjeev Kumar Garg, Airport Director of Jammu, highlighted the importance of such collaborations in bridging the gap between academia and industry. "We are delighted to partner with the Central University of Jammu. This initiative will not only benefit the students but also contribute to the innovation and development of airport operations. The Airport Director further said that we look forward to working closely with the Central University Jammu on various projects and initiatives.

Prof. Rakesh Kumar Jha, Head, DoECE emphasized the positive impact this MoU will have on the students of the DoECE. He said "Our students will gain invaluable insights and experience from this partnership, preparing them to meet the demands of the modern workforce.

This collaboration is an exemplification to our commitment to providing a holistic education that combines theoretical knowledge with practical application.

Dr. Sachin Kumar Gupta, Dr. Sanjev Yadav, Dr. Sunil Dutt Sharma, Dr. Misbah Shafi, Dr. Rajiv Kumar, Dr. Parvesh Pal, Dr. Priyank Sharma and Dr. Haneeet Kour were also present.

■ STATE TIMES NEWS

JAMMU: The Department of Electronics and Communication (DoECE) at the Central University of Jammu (CUJ) signed a Memorandum of Understanding (MoU) with the Airports Authority of India (AAI) under the Ministry of Civil Aviation, Government of India.

The formal signing ceremony, graced by Prof. Sanjeev Jain, Vice Chancellor of CUJ and Sanjeev Kumar Garg, Airport Director Jammu, marks the initiation of a promising collaboration facilitated by Prof. Rakesh Kumar Jha, Head of the Department of Electronics & Communication Engineering (DoECE), and Dr. Rajan Badyal, Public Relation Officer at CUJ.

The primary objective of the MoU is to establish a mutually beneficial partnership

VC CUJ, Prof. Sanjeev Jain and Airport Director Jammu, Sanjeev Kumar Garg signing MoU.

between the university and the airport, focusing on student internships and skill development programs.

Through this alliance, students will gain practical exposure to airport operations, advanced communication systems, and the latest technology utilized in the aviation sector. Prof. Sanjeev Jain stated, "This MoU marks a pivotal moment for the CUJ. It will open new avenues for our stu-

dents with invaluable first-hand exposure to the intricacies of airport operations and the diverse facets of civil aviation." As part of the initiative, students will participate in live demonstrations of airport projects, engage in familiarization visits and workshops, and have the opportunity for internships lasting four to twenty weeks at airports and regional corporate offices.

Sanjeev Kumar Garg,

Airport Director of Jammu, emphasized the significance of such collaborations in bridging the gap between academia and industry. He expressed delight in partnering with Central University of Jammu and highlighted the benefits for students and the innovation and development of airport operations.

Prof. Rakesh Kumar Jha, Head of DoECE, emphasized the positive impact of this MoU on students, stating, "Our students will gain invaluable insights and experience from this partnership, preparing them to meet the demands of the modern workforce."

The faculty members including Dr. Sachin Kumar Gupta, Dr. Sanjeev Yadav, Dr. Sunil Dutt Sharma, Dr. Misbah Shafi, Dr. Rajiv Kumar, Dr. Parvesh Pal, Dr. Priyank Sharma, and Dr. Hanseet Kour were also present.
