

DoECE of Central University of Jammu organized an Expert Talk

On December 19, 2024, the Department of Electronics and Communication of the Central University of Jammu organized an expert talk for first-year B.Tech. students to provide career guidance and motivation. The esteemed speakers were Prof. Sanjeev Narayan Sharma from IIITDM Jabalpur and Prof. Preetam Kumar from IIT Patna. Both are distinguished and experienced academicians. Hon'ble Vice Chancellor of Central University Jammu, Prof. Sanjeev Jain, greatly values and encourages such events which are helpful for the holistic development of students. The session commenced with a warm welcome by Prof. Rakesh Kumar Jha, who facilitated the event and introduced the experts. Prof. Sanjeev Narayan Sharma shared valuable insights with the students, emphasizing the importance of being physically fit, mentally sound, focused, and good human beings. Prof. Preetam Kumar inspired the students to concentrate on their studies with a positive outlook. Additionally, Prof. Rakesh Kumar Jha encouraged the students to stay determined and work hard towards achieving their goals. The event concluded with Prof. Rakesh Kumar Jha delivering a heartfelt vote of thanks, expressing gratitude to the experts, students, and faculty members present at the session.
