VICE CHANCELLOR'S
MESSAGE

At the threshold of the implementation of NEP-2020, one of the milestones in Indian education scenario, I congratulate the youth of our country – our stakeholders in contributing to realize our national mission to make India a global super power. As the entire world is in a state of resilience grappling with the Covid-19 crises, the universities have a bigger role in terms of reframing institutional benchmarks and reimagining their boundaries through multi-disciplinary and trans disciplinary yardsticks. It is a matter of satisfaction that Central University of Jammu is poised to face the growing challenges of higher Education and I am pleased to welcome the students aspiring to join CUJ in various programmes offered by university.

The Prospectus 2022 gives a brief overview of our initiatives and accomplishments of previous sessions relating to academic activities, research output and innovative teaching pedagogy, which ostensibly hints at the campus life buzzing with holistic learning and academic rigour. Moreover, Prospectus is also a document which mirrors our roadmap. In the forthcoming session, the University is offering 58 courses which includes Diploma, Certificate, Integrated, Undergraduate, Post Graduate and Ph.D. programmes in various Schools of Study, to name a few - Life Sciences, Basic and Applied sciences, Business Studies, Education, Knowledge Management and Media Studies, Literature and Languages, National Security Studies, Humanities and Social Sciences and Engineering.

The teaching rigour in the University is supplemented with research acumen and various research projects with funding from different funding agencies viz. UGC, National Board of Higher Mathematics, Department of Atomic Energy, GOI, SERB, UGC, ICSSR, DST, IUAC, M/O Textile, GOI, MSME, GOI, M/O New and Renewable Energy, GOI, EDII, Ahmedabad etc. is a clear indication of research output of university. Moreover, the University has succeeded in establishing Satish Dhawan Centre for Space Science with entire funding from Indian Space Research Organisation (ISRO)

State-of-the art infrastructure and facilities is one of the priorities of the universities so that students' stay on the campus makes them responsible citizens and productive human resource. Hence, Wifi facility on the campus and in hostels, an automated library, basic sports infrastructure, yoga classes, clubs and interactive sessions with substantial focus on placements the University has admirably succeeded in inculcating basic human values and standards through diverse programmes and courses being currently offered.

Resonating with the declaration of our Hon'ble Prime Minister that "India is the world's most youthful nation", CUJ fraternity is working with utmost commitment and zeal to impart high-quality vocational, inter-disciplinary, research-oriented and holistic education in emerging areas to youth so as to unleash their potential towards nation building.

Jai Hind!

(Prof. Sanjeev Jain)

VISION

To be a leading Centre of higher learning integrating culture, knowledge, philosophy, science and value system of our heritage with modern and emerging concepts, skills & technology and management practices.

MISSION

- Impart education which in its breadth and scope represents the three main symbols in our logo: iridescent like the rising Sun, immortal as the Banyan Tree and infinite like the Sky.

- Inculcate self-confidence which when combined with disciplined study, leads to faith in one's strength and conviction.

- Develop talent for sustainable growth in academics, administration, business and research by laying emphasis on organized thought and self-discipline.

- Encouraging inter-disciplinary focus, as also collaborative research with leading Institutions aimed at the optimum development of human resource and integration of new ideas and innovations.

- Provide a modern, environmentally sustainable, healthy and vibrant Campus inconsonance with the principles of Green Technology.

- Play participatory role in the affair of the people of surrounding areas in particular and civil society in general.

Motto and Symbolism

MOTTO of the University implies that knowledge refines, purifies and sharpens the mind.

Symbolism: The Rising Sun, the Banyan Tree and the Infinite Sky are some of the most significant constituents of nature, epitomizing its essence and motivating the mankind to embrace a productive way of life, to acquire knowledge and attain peace and happiness.

These elements, each being an inspirational entity, have been arranged together into an emblem to represent the Central University of Jammu.

RISING SUN- The rising Sun in the backdrop of the Banyan Tree is emblematic of victory over darkness - the triumph of enlightenment over ignorance. The students shall abide in light, acquire knowledge and grow in wisdom.

BANYANTREE- This part of the emblem proclaims that as the Banyan Tree filters impurities to provide pure air and proliferates through its prop roots, the University intends to resonate wisdom and knowledge, leading to organized thought and self-disciplined individuals through contribution and participation of its alumni.

INFINITE SKY- The vast canopy of the Infinite Sky filled with rays of the Sun denote the enormous expanse available for acquisition, growth and spread of knowledge; the soaring spirit as also an exhaustive domain for nurturing and flow of ideas.

University is an abode of boundless learning, knowledge and wisdom that paves the way to purposeful self-introspection, leading to individual growth and development.

To sum up, the Rising Sun along with the Banyan Tree and the Infinite Sky, truly reflect the values, aspirations, goals and ethos of the University as it seeks to usher in an enlightened society through vibrant, learned and empowered youth ready to adopt new ideas and emerging trends in the modern world.

Campus Site

Introduction

The Central University of Jammu (CUJ) came into existence on August 08, 2011 and was established under the Central Universities Act, 2009 (Act No.25 of 2009 read with the Central Universities Act, 2009). The campus is well connected through local and state transport. Central University of Jammu epitomizes an inclusive and pluralistic institution of higher learning. The faculty and students are collectively community is committed to discovering and sharing knowledge, as well as addressing the challenges that our world is facing.

About the Campus

The university's administrative office is housed in a building at the campus site at Rahya-Suchani (Bagla), Distt-Samba, (J&K). All the teaching Departments had started functioning from the university's Main Campus from the Academic session 2017-18. The university campus area extends to 610-acre which comprises a variety of noteworthy geographical characteristics, including a scenic environment, various buildings, and large roads. The campus is a sight to behold, with architectural harmony and natural beauty. The main academic building houses various teaching, research, library, laboratory and recreational facilities.

Milestones

Signing of MOU

MoU was signed between CUJ & ISRO to set up "Satish Dhawan Centre for Space Science," the first research and academic space science Centre sponsored by ISRO in the north region in the presence of Hon'ble Minister of State Dr. Jitendra Singh. The joint facility, which will be managed and maintained by Central University of Jammu, would be used for ISRO extension operations pertinent to this region. The Research Centre in space sciences provides value-driven, real-world solutions, which will enable the Central University of Jammu to acquire, manage, and execute educationally relevant and economically sound research programmes. The first National Conference, "Imagining the future of Space Science and its strategic importance," was organized during October 11-12, 2018, during the foundational laying Ceremony of the Centre by Dr. Jitendra Singh, MOS, Department of Space, and then Chairman Dr. K Sivan.The Centre is also starting B.Tech. Electronics and Communication Engineering (Avionics) from the academic session 2022-23. The Central University of Jammu has a prescribed curriculum on the subject(s) related to space science and technology. Department of

Physics & Astronomical Sciences and Environment Sciences also offers courses on Astrophysics, atmospheric sciences, remote sensing, and GIS. In B. Tech E.C.E. (avionics), the intake of the student will be 60. In collaboration with the university's allied departments, the Center will also start offering Ph.D. in any area related to space science and technology in the near future

The Central University of Jammu is one of the new and promising universities in the Union Territory of Jammu and Kashmir, which is devoted to the development of advanced systems and technologies. Apart from imparting high-quality education, the

university provides an appropriate mechanism for inducing growth and development by doing research in Jammu region. In view of the fact, the Central University of Jammu and DRDO signed MoU in the presence of Hon'ble Defence Minister Shri. Rajnath Singh, Chairman DRDO. R&D Secretary and DRDO Chairman Dr. G Satheesh Reddy laid the foundation stone for the Kalam Centre for Science and Technology (KCST) on the Central University of Jammu campus on 14 October 2021. The Centre envisages to act as an extended field support Centre for DRDO, especially in the sensitive area of Computational System Security and Sensor Technologies. With advanced Defence applications in Computational System Security and Sensors, KCST aims to design and develop a test-bed for the security of Industrial Control Systems for the Hydro Power plant. The Center has untaken a project worth Rs 10 crore, "Design and Development of Test bed and Vulnerability Analysis Framework for Cyber-Physical Systems," to investigate the system-level impacts of different devices and network architectures of the Industrial Control Systems and study and understand Industrial Control Systems protocol of Hydroelectric Power Plant.

Thrust Areas of the University

Central University of Jammu is slated towards striving excellence by focusing on various aspects that elevate the status and stature of education. A sound reflection with the changing times is the utmost intention of a growing institution. All programs offered by the University are in a state of continuous re-orientation and revamping in consonance with the New Education Policy, 2020. To ensure this, the University has ensured the following:

Innovative Programme Design

The University's Programmes have been created with the goal of making students worldwide competitive in their respective disciplines. The focus is on the 'Learner-Centric Approach' as opposed to the conventional 'Teacher- Centric Approach' to accommodate learner's needs and expectations to have wider choices in content, mode and pace of learning.

Adoption of Inter-disciplinary Approach of Learning

Each study program of the University is inter-disciplinary in approach as the student is empowered to accumulate required number of credits from a wide variety of courses offered by other Departments of the University. Cross- disciplinary study gives exposure to students in terms of holistic conceptualization of the realms of learning.

Academic Calendar based on Semester System

All academic programmes of the University viz. Certificate, Diploma, B.Voc, Undergraduate (UG), Post Graduate (PG) are based on semester system, designed at par with global practices to encapsulate a more structured pattern and effective number of teaching days along with adequate teaching- learning inputs.

Inclusion of Comprehensive Choice Based Credit System

The University is following Comprehensive Choice Based Credit System (CBCS) as per UGC norms largely on the lines of the best Universities of the world.

Holistic Evaluation System for Academic Programs

Students enrolled in all disciplines of study are assessed through Continuous Internal Assessment based on quizzes, field projects, assignments, independent works, group work, Mid-semester and End-semester examinations. Each Department offers minimum three activities out of a list of activities to assess the performance of the students through wide variety of activities under Continuous Internal Assessment to holistically evaluate the students.

Evaluation Process for all Academic Programmes

Assignments, independent tasks, group work, mid-semester, and end-semester exams are used to assess students in all courses across disciplines at all levels. Each department provides a minimum of four activities from a list of activities to measure students' performance through a range of activities as part of a continual internal assessment process. The following steps make up the assessment process:

Continuous Internal Assessment	25%
Mid-Semester Examination	25%
End-Semester Examination	50%

Fellowships for PG and PhD Students

Fellowships are the most important part of student support. Central University of Jammu assist the students and researchers in availing these fellowships by providing guidance to the students for clearing the National level exams for the fellowships. Researchers who are pursuing PhD and those who have cleared their UGC (JRF)/ GATE are availing the fellowships offered by University Grants Commission and Council for Scientific and Industrial Research. Various other fellowships availed by the University students are NGOBC, RGNF, Single Girl Child, Pahari Speaking, Post Matric Scholarship for SC/ST students, PMS-Minority etc.

State-of-the-art Facilities

The University offers various facilities on campus including library, gymnasium, canteen, hostel, sports facility, wi-fi connectivity and much more. The campus is both eco-friendly lush green and inviting equipped with all necessary facilities. Students enrolled in the University can benefit from these facilities without paying any membership charge.

Internship Embedded Skill Training Programme

The goal of this initiative is to provide Indian youth with skill training through sector-specific vocational education programmes. The Next-Generation Bachelor of Vocational [B.Voc.] programmes are offered under the University Grants Commission's (UGC) "National Skill Qualification Framework (NSQF)" to address critical knowledge and skill-set gaps required to make candidates "Industry Ready" and also shape "Young-entrepreneurs." The Bachelor of Vocational [B.Voc.] programmes incorporate specific job roles and their equivalent National Occupational Standards (NOSs) along with

broad-based general education. The Central University of Jammu currently offers three B. Voc. programmes namely B. Voc. (Tourism Management), B. Voc. (Retail Management) and B. Voc. (Banking & Finance). The three-year degree programme begins with a Diploma course leading to a Bachelor of Vocational Degree [B.Voc.] in the 3rd year.
