State Government apart from providing land free of cost, is required to provide basic infrastructural needs of Access Road, Water Supply, and Power Supply up to the periphery of the University. The cost incurred on account of supply of water/Electric System at the campus of Central University of Jammu is to be borne by MHRD as special dispensation to the CUJ and Budgetary Provision of Rs. 24.70 Crores on account of the cost projected by Ministry of Higher Education has been kept in the budget of 2016-17. In order to kick start the process, the State Government has released Rs. 3.00 Cr from the Revolving Fund to both the line departments of PHE and PDD. The Electrical Poles from Bari Brahmna upto the Periphery have been installed by PDD and tenders for deep drilling of two number of tube wells have been invited by the PHE.

However, keeping in consideration the target of achieving 5-star GRIHA rating, the University has submitted DPR amounting to Rs. 95.42 Cr to the Ministry of New and Renewable Energy for generating Solar Power of 5.46 MW through Solar Yards and 6.11 MW through Roof Top SPV Generation. In order to meet the immediate requirement of 1.45 Mega Watt, a DPR at a cost of Rs. 11.96 Cr has been submitted to the State Government for seeking consultancy with regard to the installation and Commissioning of the Grid Connected Roof Top Photovoltaic Power Plants on the roofs of various buildings in the CUJ campus.

Meanwhile, Project Management Consultancy (PMC) of the University (EPIL) was requested to take up the construction and commissioning of deep drilled Tube well including supply & installation of mechanical and electrical equipments for assured water supply on the basis of report of Central Ground Water Board (CGWB). The work for construction and commissioning of tube-well including supply and installation of mechanical and electrical equipments for assured water supply was awarded to M/s Chenab Infrastructure Pvt. Ltd Jammu for an amount of Rs. 1.15 crore by PMC. The tube well had been commissioned and taken over by the University on 13th of April, 2016. Since then the University is not only saving a recurring expenditure of about Rs. 60,000PM but also generating revenue by supplying water to the construction agencies on payment basis. Till date the University has sold the water of approximate amount of Rs. 41 lakhs to the construction companies (on account of filling only).

Note: * Achievement during last six months:

The compiled Annual Accounts were considered and approved by the Finance Committee (on 29.06.2015 & 12.06.2016, respectively) and the Executive Council (on 09.11.2015 & 15.07.2016, respectively), before submission to CAG for audit.

The CAG Audit party completed the audit of these Accounts and the Principal Director (Audit), Chandigarh, on behalf of CAG issued the Separate Audit Report (SAR) for the year 2014-15, vide letter No. PDA(C)/CE/SARs/2015-16/264 dt. 03.12.2015 and for the year 2015-16 vide letter No. PDA(C)/CE/SARsCUJ-2015-16/2016-17/1090 dt. 28.10.2016.

The Annual Accounts, along with SAR for the year 2014-15 and 2015-16, as recommended by the Finance Committee (on 05.02.16 and 06.01.2017, respectively) were approved by the Executive Council in its 12th meeting held on 07.04.2017.

Copies of the Annual Accounts for these years along with SAR, as approved by the Executive Council, have been submitted to the Ministry of Human Resource Development, Government of India, for laying before both Houses of Parliament in terms of Section 31(4) of the Act.

Section 20(2)(b) of the Act, *inter-alia*, provides for the Court to consider and pass resolution on the Annual Accounts of the University and the Audit Report on such accounts.

The Annual Accounts, along with Separate Audit Report for the year 2014-15 and 2015-16, are placed before the Court for consideration, as **separate books (02 in nos.)**.

COURT - 04 / Item No. - 06

To consider the Revised Estimates for the Year 2016-17 and Budget Estimates for the year 2017-18 and proposed estimates for next plan period.

The Revised Estimates for the year 2016-17 were based on expected flow of funds for expenditure under revenue and capital items. During the year 2016-17, the University established fifteen P.G. programmes, eight regular Integrated M.Phil/Ph.D programmes, four integrated M.Sc. Programmes, ten direct Ph.D programmes, two part-time Ph.D programmes, two Research Centres and two Certificate Courses. The increase in capital and revenue expenditure was attributed to academic and construction activities at site.

The University had an unspent balance of Rs.8682.17 lakhs as on 01st April, 2016 which was taken as the opening balance for the financial year 2016-17.

The demand projected for the year 2016-17 was initially estimated to be Rs. 51000.00 lakhs which has now been revised to Rs.31000.00 lakhs with the revised estimated expenditure of Rs.27841.45 lakhs. Based on this flow of expenditure and expected activities, the University proposed grant of Rs.38000.00 lakhs during the year 2017-18. Taking into account the proposed grant of Rs.38000.00 lakhs, the University shall be having following funds available for 2017-18 subject to release of funds to the extent of Rs. 31000.00 lakhs during 2016-17.

• Opening Balance	–	Rs.13051.82lakhs
• Expected Income from Internal/Own Resources	–	Rs.1261.00 lakhs
• Grant from UGC	–	Rs.38000.00 lakhs
		Total: Rs. 52312.82 lakhs

Out of this, expenditure is estimated to be Rs.40997.65 lakhs as per details given in the Annexure. Therefore, funds to the extent of Rs.38000.00 lakhs have been proposed as Grant-in-aid from UGC for the year 2017-18. If funds are available as projected above, the University shall be left with a balance of Rs.11315.17 lakhs at the end of the year 2017-18 which may cater to the requirements for one or two months of the subsequent year for administrative expenses and part development including clearing of immediate liabilities.

The Budget Estimates are based on the expected construction activities already initiated and planned to be started in coming financial year 2017-18 and other recurring

expenses, including salaries. The proposed expenditure on some identified activities including the construction work has also been tentatively worked out at Rs.875.00 crores for the next plan period of five years. Though the estimated receipt for the next years have not been contemplated, the University may have to ask for the required funds annually.

The Revised Estimates for the year 2016-17 and The Budget Estimates for the year 2017-18 were discussed in the meeting of the Finance Committee held on 6th January, 2017. The Finance Committee resolved to approve the item and recommended the same for consideration of the Executive Council.

The Executive Council in its 12th meeting held on 7th April, 2017 approved the recommendations of the Finance Committee.

The Revised Estimates for the year 2016-17 and Budget Estimates for the year 2017-18 are placed before the Court for consideration as **Annexure-A, page no. 49-**.

COURT - 04 / Item No. - 07

Fixing the date for the next meeting of the Court, with the permission of the Chair.

The Central Universities Act, 2009, Statute 10(1) provides that an Annual meeting of the Court shall be held on a date to be fixed by the Executive Council, unless some other date has been fixed by the Court in respect of any year.

The matter is submitted for consideration of the Court.

NOTES

1. The Expenditure on seminars and conferences has been worked out on the assumption that for 21 existing departments there shall be one National Seminar each year and one International Seminar every three years but there shall be no national seminar during the year when an international seminar is held. Thus over a period of five years there shall be four national and one international seminar for each department. It is understood that maximum ceiling of expenditure is as follows:

National Seminar Rs.7.00 Lakhs each seminar

International Seminar Rs.15.00 Lakhs each seminar

Thus each department may require Rs.43.00 Lakhs for all the five seminars over a period of five years. This will mean expenditure of Rs.900 Lakhs for 21 existing departments.

2. Based on the assumption that each of the existing department shall be allowed one Research Project annually there will be 21 Research projects each year or 105 for the Five year plan period.

There shall be an estimated provision of Rs.5.00 Lakhs for each Science department for each project and having 5 Science department will mean provision of Rs.125 Lakhs while Rs.240 Lakhs for Non Science departments making a total of Rs.365 Lakhs on this account.
